

4th Annual Paediatric IR UK Meeting

Monday 27th June 2022 • Ininside Hotel, Manchester M15 4RP

Join us to hear about hot topics in paediatric IR!

Including renovascular hypertension, vascular access, managing radiation dose in PIR, vascular malformations and an in-depth session on how to build a PIR practice, plus 'How I do it' tips and tricks from PIRs around the UK and hands-on tables

This will be of interest to...

- Paediatric IRs looking for a support network
- IRs who do some paediatric IR or want to build their service
- Adult IRs who do occasional paediatric IR cases
- Paediatric radiologists who are interested in IR
- Radiographers, nurses, AHPs interested in paediatric IR
- Trainees who are curious about paediatric IR

6 RCR CPD points
In association with BSIR
