

# Annual Scientific Meeting

March 15-18 | 2017 | Intercontinental Festival City | Dubai

## Target Audience

- Interventional Radiologists
- Neuro Interventionalists
- Vascular Surgeons
- Cardiac Interventionists
- Angio/Cath Lab Technologists & Nurses
- Oncologists
- All Allied Health Professionals

## Meeting Highlights

- Interventional oncology
- Neuro intervention
- Drug eluting technology
- Endovascular repair of thoracic and abdominal aortic aneurysm
- Infra-inguinal and below knee intervention
- Aneurysms and vascular anomalies
- Varicose veins & varicocele
- Vascular embolization
- GI interventions
- Hands on workshops

## Call to Abstract Categories

- **Vascular Interventions**  
Aortic interventions  
Peripheral arterial diagnosis and interventions  
Venous interventions  
Dialysis interventions  
Embolization
- **Neurointerventions**  
Stroke  
Embolization  
Carotid interventions
- **Interventional Oncology**  
Chemoembolization  
Radioembolization  
Locoregional treatments
- **Non vascular Interventions**  
Hepatobiliary  
Gastrointestinal  
Genitourinary  
Musculoskeletal  
Thoracic
- **Diagnostic Imaging**  
**Topic pertaining to IR**  
HCC diagnosis and follow up  
PAD and venous assessment  
Dialysis access evaluation  
Radiation technology and safety/nursing/quality  
Marketing of Interventional radiology business

**EXPERTS FROM THE INTERNATIONAL ARENA  
ATTEND KEYNOTE TALKS, PARALLELS,  
INTERACTIVE  
WORKSHOPS & MEET-THE-EXPERT SESSIONS  
VIEW POSTERS OF THE SCIENTIFIC ABSTRACT  
COMMUNITY**

# REGISTER TODAY

The Largest  
Middle East  
Endovascular &  
Interventional  
Conference  
in 2017
