

RCR17 - CALL FOR ABSTRACTS

Submissions are invited for Clinical Radiology Scientific abstracts and the Audit ePoster Competition, which are held annually as part of RCR17.

Scientific abstracts

ePosters

Endowed by George and Vera Ansell, the Ansell Prize is presented to the best clinical radiology proffered ePoster presented at an annual meeting in the original scientific presentation category, to be displayed as an ePoster at RCR17.

Research oral presentations

As part of the joint Clinical Radiology and Clinical Oncology Academic workshop, authors who submit a research abstracts have the option of submitting it for oral presentation on Wednesday 13 September. Please indicate when submitting if you wish for your abstract to be considered for oral presentation.

Why submit?

- All ePosters are eligible to win the George and Vera Ansell prize. £250 first prize, £125 each for two highly commended ePosters
- Research oral presentations are eligible for a prize of £250, sponsored by the respective RCR faculty Journal.
- All accepted abstracts will be given citable references and included in a Clinical Radiology supplement published by Elsevier
- 3 CPD credits for the lead author and 1 for each co-author are awarded for posters displayed at the ASM

Audit abstracts

The purpose of the competition is to encourage radiologists, radiographers and colleagues to carry out audits and to recognise the importance of clinical audit in improving patient care and outcomes. Submissions are requested to be part of the ePoster competition.

Why submit?

- Abstracts of all ePosters accepted for display are published in a supplement of Clinical Radiology.
- First and second prize winners receive cheques.
- Authors of audit ePosters displayed at the RCR17 are awarded CPD credits

Key dates:

- Submission deadline **Wednesday 12 April 2017 at 12 noon GMT**. Authors will receive an email confirmation of receipt of their submission.
- Authors will be notified of the outcome of their submission by email no later than **Friday 12 May 2017**.
