Meeting organiser:

Dr David Maudgil, Frimley Health NHS Foundation Trust

This study day is aimed at radiologists with interest in interventional radiology (IR), IR specialists and trainees, to provide an update on latest advances on key topics including prostate artery embolisation, drug eluting devices, simulation for intervention (with a hands-on session), paediatric IR, interventional oncology, ablation, cost-effectiveness and NICE guidelines, and diversity within and future of IR.

Registration fees:

Members	£208
Non-member	£257
Trainee member	£143
Trainee non-member	£188
Retired member	£143
Allied Healthcare Professionals and nurses	£143
Lay members, medical students and patients	£143
Industry	£281

Book online: <https://www.rcr.ac.uk/clinical-radiology/event/interventional-radiology-ir-study-day-hot-topics-and-updates>

Bookings are accepted on a first come, first served basis.

Confirmation of a place will be sent by email within 21 days of payment being received. If you do not receive confirmation please contact conf@rcr.ac.uk.

We strongly advise delegates not to book travel or accommodation until a confirmation is received.

Cancellation policy: Notice of cancellation must be given by email to conf@rcr.ac.uk within the following dates:

- 31+ working days before a meeting: Will be entitled to transfer their fee to another meeting within 12 months or a refund minus a £15 administration fee
- 11 – 30 working days before a meeting: Will be entitled to transfer their fee to another meeting within 12 months or a refund minus a £25 administration fee

If less than 10 working days before a meeting, no transfer or refund permitted

Data Protection Act: Your name and hospital will be included on the list of participants, which will be issued to delegates, speakers, sponsoring companies and other interested parties.

See www.rcr.ac.uk for full terms and conditions.
