The Midlands Interventional Radiology Skills Course

“MIRS ORIGINAL”

We're pleased to announce the return of the highly successful MIRS “Original” Course for 2027 aimed at IR Residents & Trainees interested in IR.

MIRS “Original” is a long running course of 8 hands-on practical stations led by experienced IR faculty from across the Midlands using simulators and models to demonstrate a wide range of IR procedures, techniques & equipment provided by leading medical industry companies.

Stations including:

Vascular Simulators

EVAR Simulator

Thrombectomy Model

Embolisation Flow Models

Biopsy & Drain Models

PTC/Nephrostomy Models
