

BSIR Abstract Submission Information 2021

Important notes:

1. Neither the authors nor the submitting centre(s) must be identified by name, in order to allow unbiased anonymous review.
2. Please adhere to the word count, do not attempt to exceed it by omitting spaces or adding underscores.
3. Any junior submitter (Trainee, Medical Student, Foundation Dr) must include the details and obtain authorisation from their consultant or supervisor . This should be included in the add additional authors section when submitting.

Anonymous submissions or abstracts exceeding the word count are likely to be disqualified.

Scientific submissions for Oral and Scientific Poster Presentation

Scientific abstracts may be submitted for oral or poster presentation (category may be altered by the review committee).

Abstracts (**max. 250 words**) need to be structured under the following headings:

- Aims
- Materials and Methods
- Results
- Conclusion

Available categories for submission are:

- Aortic & Venous (Vascular)
- Interventional oncology
- Embolisation
- Peripheral Visceral / (Vascular)
- GI / HPB / GU /Gynae(Non Vascular)
- Quality Improvement /Clinical Effectiveness
- Miscellaneous

The submission will be scored on:

- Quality of scientific methods and conclusion
- Clinical relevance to BSIR
- Study design – randomised controlled trials will score higher than prospective trials or retrospective case series

Please identify whether patient consent and institutional review board approval were granted. If no statement is made, it will be assumed that this has not been sought or given. Off-label use of any devices must be declared.

Educational Poster Submissions

Submissions are invited for educational poster presentations illustrating important features of a certain condition, a procedure or a clinical pathway.

Abstracts (**max. 250 words**) need to be structured into three paragraphs, headed:

- Background
- Description of Findings/Procedure
- Conclusion
- In addition, 3-5 learning points will need to be submitted.

Available categories for submission are:

- Aortic & Venous (Vascular)
- Interventional oncology
- Embolisation
- Peripheral Visceral / (Vascular)
- GI / HPB / GU /Gynae (Non Vascular)
- Quality Improvement /Clinical Effectiveness
- Miscellaneous

Prizes

- Best presentation by a BSIR junior member (IR registrar in training): Grant to attend CIRSE 2022
- Best presentation by a radiology registrar in training: Grant to attend an IR meeting 2022
- Best overall presentation: Grant to attend an IR meeting 2022
- Best presentation by AHP: Grant to attend BSIR 2022
- Best Scientific Poster: Grant to attend BSIR 2022
