

British Society of Interventional Radiology

IR Juniors NIRS 2026 Sponsorship Packages

DATE: SATURDAY 26TH OF SEPTEMBER 2026
LOCATION: LEICESTER SPACE PARK

STRONG ADVOCACY AND RETURN INTENT

92.9% of delegates would recommend NIRS to a friend or colleague
91.1% are likely to attend NIRS again

“The conference was very well structured and I felt I left with a lot of valuable career-specific information. It was overall a great conference appropriate for both doctors as well as medical students.”

“The speaker talks were excellent. All the speakers delivered very interesting and engaging presentations.”

Undergraduate and foundation level delegates, 2025

Workshops were among the highest-rated elements of the conference
Strong qualitative alignment with simulation, endovascular skills and industry-linked technology exposure

Delegates strongly value practical, device- and technology-facing experiences.

Highly engaged, self-selecting audience of future IR trainees
Proven appetite for hands-on workshops and industry-linked technology
Repeat attendance likely, supporting long-term sponsor visibility
High social media Facebook, Instagram and X coverage!
