

6th Annual Paediatric IR UK Meeting

Monday 20th May 2024 • Austin Court, Birmingham B1 2NP

Join us to discuss hot topics in paediatric IR!

Including 'What an adult IR needs to know', complications in PIR, insights into working with children and lessons from the coal face around the UK, as well as our ever-popular hands-on sessions on vascular access and feeding tubes

This will be of interest to...

- Paediatric IRs looking for a support network
- IRs who do some paediatric IR or want to build their service
- Adult IRs who do occasional paediatric IR cases
- Paediatric radiologists who are interested in IR
- Radiographers, nurses, AHPs interested in paediatric IR
- Trainees curious about paediatric IR

6 RCR CPD points

In association with BSIR
