

BSIR 2016 ONLINE SUBMISSION INSTRUCTIONS

For any queries regarding submission , instructions or eligibility please email abstracts@bsir.org

Scientific Presentations

These may be submitted for either poster or oral presentation only, or for both, to be decided by the review committee.

Abstracts (max. 250 words) need to be structured under the following headings:

- Aims
- Materials and Methods
- Results
- Conclusion

Available categories for submission are:

- Interventional oncology
- Aortic intervention
- Embolisation
- Aortic intervention
- Peripheral vascular intervention
- GI / HPB / GU intervention
- Management, audit and service review
- Miscellaneous

The submission will be scored on

- Quality of scientific methods and conclusion
- Clinical relevance to BSIR
- Study design – randomised controlled trials will score higher than prospective trials or retrospective case series

Please identify whether patient consent and institutional review board approval were granted. If no statement is made, it will be assumed that this has not been sought or given.

Off-label use of any devices needs to be declared.

Please submit all audit, management and service review as a scientific submission.

Educational Posters

Submissions are invited for poster presentations illustrating important features of a certain condition, a procedure or a clinical pathway.

Abstracts (max. 250 words) need to be structured into three paragraphs, headed:

- Background
- Description of Findings / Procedure
- Conclusion

In addition 3-5 learning points will need to be submitted.

Available categories are:

- Interventional oncology
- Aortic intervention
- Embolisation
- Aortic intervention
- Peripheral vascular intervention
- GI / HPB / GU intervention
- Miscellaneous

Please submit all audit, management and service review as a scientific submission.
