General

There is no time in the conference schedule for over-running and the moderators of each session are under strict instructions to finish promptly. A queueing system is in use and if requested by the chairperson, please summarise and complete the presentation immediately.

Financial/Commercial & MHRA Declarations

All presentations should include after the title slide, a separate slide stating a declaration of any sources of commercial sponsorship, honoraria etc. If there are no relevant sources, please include a statement to that effect.

If for example, the paper concerns failure of a device (but not limited to), please include a statement to confirm that this has been reported to the MHRA. In addition, please state if 'off label' use of a drug or device is to be discussed in your presentation.

Scientific Sessions

Please ensure that the presentation lasts 6 minutes or less, leaving 2 minutes for questions and debate. If you talk for more than 6 minutes, you will be interrupted and asked to sum up in 30 seconds to allow time for questions.

Plenary Sessions

Please note the duration of each presentation according to the programme or as indicated by the session chairperson and allow an appropriate period for questions at the end of your talk.

Workshops/Masterclasses

Please contact meeting@bsir.org for advice (if necessary) on structure.

- Please choose the "On screen show" output within the "slide set up" menu when formatting your presentation.
- All presentations should be on CD Rom, or a USB compatible flash memory device.
- All presentation media should be clearly marked with session title, presenter surname & initials, title, date & time of presentation.
