

## BSIR ASM 2020 - Abstract Submission Information

Important notes:

1. Neither the authors nor the submitting centre(s) must be identified by name, in order to allow unbiased anonymous review.
2. Please adhere to the word count, do not attempt to exceed it by omitting spaces or adding underscores.

**Non-anonymous submissions or abstracts exceeding the word count are likely to be disqualified.**

### Scientific Abstracts

Scientific abstracts may be submitted for oral or poster presentation (to be decided by the review committee) or for poster presentation only.

Abstracts (**max. 250 words**) need to be structured under the following headings:

- Aims
- Materials and Methods
- Results
- Conclusion

Available categories for submission are:

- Aortic, Visceral & Major Venous Intervention
- Interventional oncology
- Embolisation
- Peripheral vascular intervention
- GI / HPB / GU intervention
- Miscellaneous

The submission will be scored on:

- Quality of scientific methods and conclusion
- Clinical relevance to BSIR
- Study design – randomised controlled trials will score higher than prospective trials or retrospective case series
