

2nd Annual Paediatric IR UK Meeting

Monday 17th June 2019 • Inside Hotel, Manchester M15 4RP

Join us to hear about hot topics in paediatric IR!

Includes talks on biopsy, hepatic intervention, advanced imaging techniques, developing a central venous access service, anaesthesia in paediatric IR, insights on consent and how to help the anxious child, plus tips and tricks from around the UK

This will be of interest to...

- Paediatric IRs looking for a support network
- IRs who do some paediatric IR or want to build their service
- Adult IRs who do occasional paediatric IR cases
- Paediatric radiologists who are interested in IR
- Radiographers, nurses, AHPs interested in paediatric IR
- Trainees who want to know more about paediatric IR

6 RCR CPD points

In association with BSIR
